We have enjoyed some wonderful events over the last few school days of 2023 and would like to wish everyone a safe and enjoyable festive period. A few of our Year 6 pupils learnt a special Christmas message by using British Sign Language to sing 'We wish you a merry Christmas'. Please visit our Instagram account to view their performance!

## Early Years – Stay and Play

This week, our Early Years children welcomed their adults and carers into their classrooms for a Festive 'Stay and Play'. The Pre-school, Nursery and Reception pupils involved their grown ups in many different winter and Christmas themed activities. They also sang and performed in British sign language some Christmas songs.

## Year 2 – Punctuation and RE

Year 2 have taken part in a virtual punctuation show and finished their RE unit on Christmas by following instructions to make Christingles. They learnt all about the meaning behind each part of their Christingle.
