

Friday 31st January 2025

IN THE CLASSROOM

Saplings

The children had a visitor this morning, Mr Power came across to fix a couple of items. The children were engaged, asking lots of questions. Mr Power allowed several of the children the opportunity to assist.

This is a great learning opportunity, covering the areas of PSE, CL, M, UW, PD. Once Mr Power had left, the children collected our pretend tools and began fixing items around preschool.

Year 5

Miss Delasalle has been blown away by the effort shown by her Maths group this week. The students have had the opportunity to step into the role of coaches, guiding one another in learning how to measure angles with a protractor. The class demonstrated an enthusiastic and energised attitude towards gaining independence, making the experience both fun and educational. It's been a week full of collaboration and growth!

Get involved!

Calling for Parent Governors. We are looking for new Parent Governors to join our school's governing body. This is a fantastic opportunity to make a real difference in your child's education and help shape the future of our school.

Parent Governors play a vital role in decision making, ensuring the school is the best it can be for all our students. If you are interested or would like more information, please contact admin@martinswood.herts.sch.uk by Friday 7th February. We'd love to have you on board!
