

WEEKLY NEWSFLASH

FRIDAY
21/11/2025

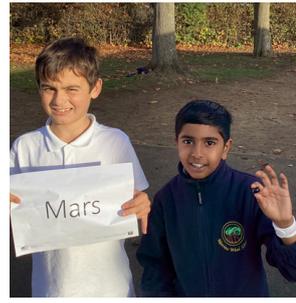

YEAR 3

In year 3 science lessons, we have been learning about skeletons. This week, we investigated joints by immobilising our elbows and trying to perform activities such as drinking from a bottle.

YEAR 5

Year 5 have started their topic on 'Earth and Space'. We investigated the order and sizes of the planet in relation to each other. We used fruit to model this and ended up seeing just how far away other planets are! We also created some interesting mnemonics to remember the order.

SAPLINGS

As we complete our latest theme/topic "Puppets and pop ups" the children have been adding features to a sock to make their own puppet. In play, we have used a selection of puppets, made up stories, sometimes the adults have joined in and at other times the children have been using their imagination to tell their own stories. We have re-told Old Macdonald using laminated characters. So many skills were practiced from listening, waiting, sharing, leading and recall.

DATES FOR THE DIARY

- 28th November - Occasional Day - School Closed
- 3rd December - FOMW Wreath Making 6:30pm
- 10th December - KS1+KS2 Christmas Performance
- 11th December - Y6 to Nobel Pantomime
