

MARTINS WOOD PRIMARY SCHOOL WEEKLY NEWSFLASH

YEAR 3

Year 3 created festive artwork, using skills from our art learning. We painted the sky in blue, changing the shade and tint by adding black and white. We then did the same with the trees, this time changing the shade and tint of green. We then combined our elements onto one page, adding in some twinkling Christmas stars!

FRIDAY

12/12/2025

SAPPLINGS

As we finish this term, the children have been working on their mark making. The children have chosen their own colours, been working hard on removing and replacing the lids, having a starting point and giving meaning to their marks. Some children are at the "scribble" stage whereas others are able to produce a person with recognisable features. We have observed their grip and form, using this information to plan each child's next step.

YEAR 1

Year 1 had a visit from 'Herts Vision Loss' on Monday during Science. They learnt about the impacts of sensory loss on people and the technology used to help them in everyday life. They also got the chance to use some of the aids that assist them, such as the walking cane. At the end of the session the children also had the opportunity to ask some questions to develop their learning further.

DATES FOR THE DIARY

15th December - EYFS Stay & Play

17th December - Christmas Lunch

19th December - End of Term - 2pm

6th January 2026 - Return to School - 8:50am

Whole school attendance is currently at 95.3%

Remember - to achieve 100% attendance your child needs to be in school, every day and on time.
