

FRIDAY

05/03/2026

## RECEPTION

This week reception have been investigating '5 and a bit' numbers. These are numbers that are 5 and some more. We created number blocks to represent these numbers, for example '5 and 2 is 7' or '5 and 1 is 6'

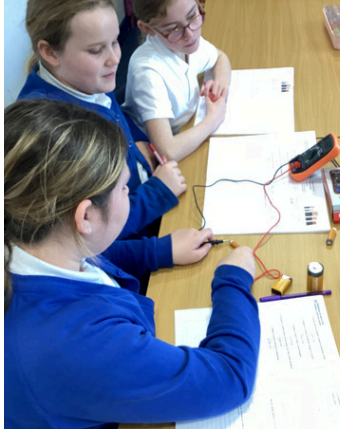

We have been finding out about the Spring celebration of Holi that Hindus all over the world will be celebrating this week. We learnt that it is a colourful celebration where people eat special sweets and get together at the temple to share food and dance. They also throw colourful powder at each other. We all thought it sounded really fun. Together we created Holi art work. Drawing people dancing, bonfires and temples. We then added powder paint and sprayed it with water to make it stick.

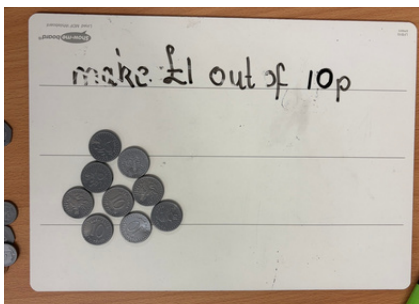

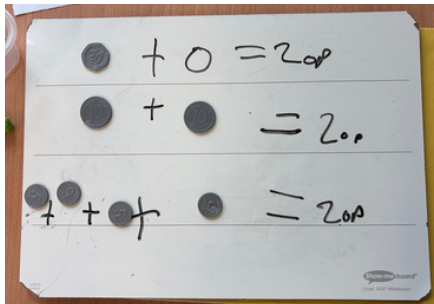

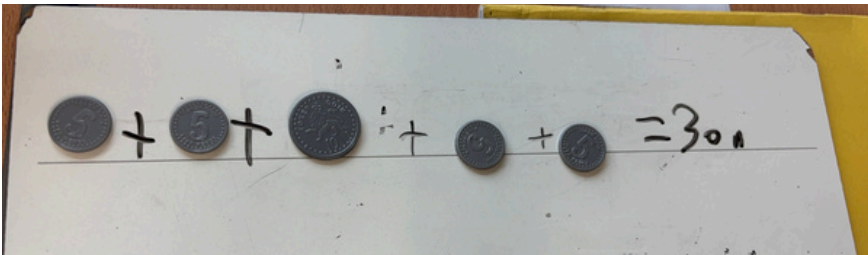

## YEAR 6

In Year 6 this week, the children have been exploring voltages of different types of battery. They have been identifying whether the voltage labelled on the batteries matches its actual voltage. Year 6 really enjoyed using the voltmeters and seeing the differences between different batteries.

## YEAR 2

This week year two have been learning to recognise and use money. We have been looking at the value of coins and notes and working out the change using number lines to help us.

## DATES FOR THE DIARY

- 20<sup>th</sup> March - Rocksteady Concert
- 23<sup>rd</sup> - 27<sup>th</sup> March - Y5 Bikeability
- 27<sup>th</sup> March - End of Term - 2pm
