

YEAR 2

In Year 2 the children have begun learning about the Hindu festival of Navratri. This week the children learned about how Hindu's plant seeds as an offering to the goddess Durga and observe how they grow over 9 days. We planted our own seeds and will also observe the changes over 9 days.

NURSERY

The children have been thoroughly enjoying our new scales in the outdoor area. They have been busy investigating and comparing different objects, discovering which items are heavy, light, heavier, and lighter. They have enjoyed collecting natural materials, toys, and other objects to place on the scales, discussing what they notice and comparing the results with their friends.

YEAR 6

Year 6 have got a very busy half term ahead of them as they prepare for their journey off to secondary school. One of the end of year events is their school production. This year's production is called 'Grossbusters'.

It is set in the perfectly ordinary town of Normsville, and involves a hilarious adventure with the Grossbusters and a host of quirky monsters, learning that being different is something to celebrate rather than fear. We are already hard at work learning lines, songs and making props.
