RECEPETION

Reception retold the story of We're Going on a Bear Hunt on a sensory walk. We had to go through the deep cold river, "it is freezing," said Ruby. We went through the thick oozy mud, "ugh sticky dirt in my toes," said Edison.

YEAR 3

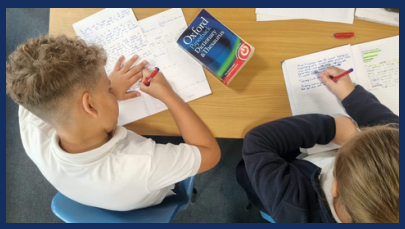

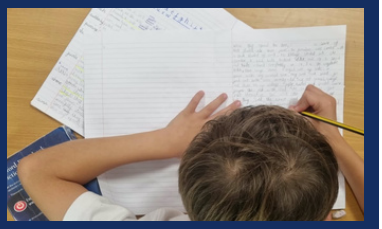

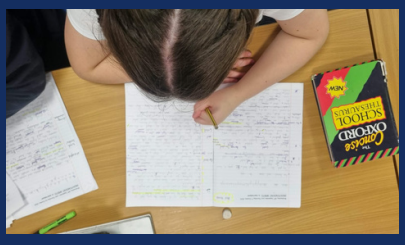

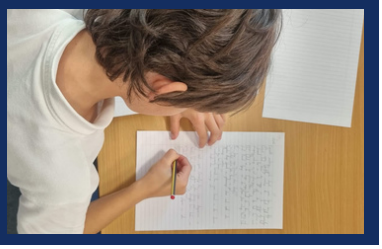

In Year 3, we have been learning about Prehistoric Pots. We have specifically been looking at Bell Beaker pots, how they were made and what natural resource were used to design different patterns. We will be making our own Prehistoric Pots in the upcoming weeks out of air dry clay and natural resources like sticks and rocks.

YEAR 6

Year six editing and publishing their first pieces of writing for their portfolios.

Parents help needed!

We are reaching out to our parent community for a little help. If any parents have experience using lights and sound systems and would be willing to offer their time or expertise, we would be extremely grateful.

If you can help, or know someone who might be able to, please contact the school administration. Your support would be greatly appreciated and would make a real difference to our school events.
