SAPLINGS

We have been looking at similarities and differences. To begin with we spoke about being a boy or a girl, then looking at hair and eye colours. We then spoke about who was tall and who was short. This started a real debate. Other groups spoke about shoes, we are all wearing shoes and yet these shoes were broken down into trainers, shoes, sandals and crocs. We spoke about shoes and trainers both having Velcro straps. Throughout the week the children have been using the words “similar” and “different” to talk about things they are observing such as sandwiches for lunch, hats and drink bottles.

YEAR 1

Year 1 enjoyed a fascinating trip to the British Schools Museum, where they stepped back in time to experience a day in the Victorian era. The children took part in a traditional Victorian lesson, explored what school life was like in the past and discovered how different it was from today. They had a wonderful time and were full of enthusiasm throughout the visit.

YEAR 6

Year 6 have had a fabulous week. The final rehearsals for our production have been very successful. Yesterday, all of Year 6 attended their new secondary schools for a transition day and have returned full of excitement. To top it all off, we had a wonderful trip to Wicksteed Park on Wednesday. And all of this in 30ºC heat! They are truly remarkable!
